

Pursuing Global Justice
Through Grassroots Change

You can support the critical work of AJWS around the world at a lower cost to you by making a gift of appreciated stock. Advantages include:

- avoiding federal and state tax on capital gains;
- receiving an income tax deduction for the full market value of your gift if you itemize deductions on your tax return and have held the assets for at least one year; and
- making a larger gift at a lower original cost to you.

Please consult your financial planner or tax advisor to determine how these potential tax advantages apply to your specific situation.

To make a stock donation to AJWS:

1. For securities held by a brokerage firm, instruct your broker to make an electronic transfer to:

Account Number: 54969391

Stifel, Nicolaus & Company, Inc.
237 Park Avenue, 8th Floor
New York, NY 10017

2. Please inform AJWS of your gift. Privacy laws discourage brokerage firms from releasing the names of clients, so, you must give AJWS permission to recognize that you have made a stock donation. If you neglect to inform us that your donation is being transferred via stock, the brokerage firm can decide not to give us your name, and therefore we will have trouble crediting and thanking you for your generous gift.

Please contact Rachel Kanter Kepnes via e-mail at donations@ajws.org or by phone at 212.792.2828.

Please provide:

- Name of securities;
- Number of shares you are transferring;
- Brokerage house / accounting firm and contact name; and
- Your address, phone number and e-mail address.

For instructions on donating other types of securities (i.e. stocks held in certificate form, mutual funds, or a planned gift), please contact Riva Silverman, director of development, via e-mail at rsilverman@ajws.org or by phone at 212.792.2809.
